DCI:

Herewith per your request is a sample of recent media contacts with Agency employees that were referred to my office per the regulations.

I believe that for the most part the system works. We do need to keep reminding employees of our problem with the media and the procedures for reporting media contacts. I am addressing this subject with the NIC on Tuesday. It flies a little loosely. Also, an Agency notice to all employees, along the lines that we have put out before, will be published shortly.
